

# Welshpool & District Pool Press

Welcome to the start of another season. The committee have been busy over the Summer, and we have two new sponsors and a newly designed website which is not only mobile friendly, but far more easy to navigate around. With Andrew's Fishbar owner, Costas, present for last season's final day, he was keen to carry on from his 10 year sponsorship, and he has now signed up for another 5 years. Not only is he sponsoring the Premier league and the handicapped Andrews Cup, but he is now sponsoring the Premier league divisional cup. Sadly we have lost two of the top five teams from last season. The Nomads have joined forces with Argae and are looking to break the Keys strangle hold on the title, and also the Breidden Lions have folded, leaving us with eleven teams. Losing these two teams equates to £1000 less subs collected which will be reflected in the end of season prize money for the Premier league.

Division One has a new sponsor for the next three seasons. Over the Summer, we were pleased to announce that Brian Davies & Son will now sponsor this league, and the Division One divisional cup. Father and son, Steve and Matt Davies who now play from Argae Hall, felt after years of playing, that they should put something back into the league and we are very thankful for their input and generosity.

The two obvious contenders for the Division One title are the relegated Horse and Jockey, plus perpetual third placed team Keys B. The Pheasant will be an unknown entity, as Jordan Harding entered a team at the last minute, requesting they drop from the Premier league as they lost a few of their players. The promoted teams, Cock Brockton and Halfway House should notice the step up in standard, and will hope to hit the ground running.

**Finals Day  
is

<b>Cock Brockton</b>	<b>v</b>	<b>Angel B</b>

Our Division Two, this season, has a new sponsor in the form of Dortmund Union Vier which is served in numerous venues throughout the league. This is provided by the LCW Drinks company. They will also be sponsoring the Division 2, Divisional cup. Appleshed, is their cider, and they are sponsoring our Doubles and Trebles cups this season.

Given the top two teams, Cock Brockton and Halfway House, along with the folding of the Lion Cubs Westbury, have left this league, this season should be even closer than last, if possible, with just 10 pts separating 4th to 11th places. Don't forget to message Sedgy on 07786 083199 with your results on match nights.
